Description:

From the Glera grapes, Prosecco has a pale yellow colour, a fine, abundant and consistent perlage. It has a fruity aroma with sensations of pear with a pronounced and complex intensity offering sensations of high quality.

With a dry taste that leaves a sensation of smoothness, freshness and sapidity, it is a balanced wine which goes well with all starters, first dishes, non-fatty fish and unseasoned cheeses.

It is recommended as a starter and during informal meetings in a Champagne bottle, with a transparent label illustrating its qualities.

Price of the bottle € 5,40.- excluding shipping cost
